

Dalkey Junior HC

Winter Term, 2011

Informational Update

Kit & Equipment

Please remember to bring with you to all training sessions:

- Hockey stick
- Ball
- Shin guards
- Gum shield
- Water bottle
- Wet gear & hat

Note that we maintain a strict policy of, "**No gum shield, no game.**" This is to ensure safety since your teeth are very precious and cannot be easily replaced. We will make every effort to ensure that all players wear their gum shield in any activity where there is a risk of injury, but would encourage parents/guardians to also instil an appreciation for safety in this regard.

Having your own ball helps the whole group as we cannot provide a ball for everyone. We would ask that all players make an effort to bring their own ball every week.

We can assist in providing equipment supplied by ED Sports. ED Sports is based in Pembroke Wanderers HC, Sandymount, and Three Rock Rovers HC, Rathfarnham. Please do let us know if you require any equipment and we will source it for you at discounted prices.

Parking

So that we can keep from disrupting the residents, please can you ensure that you either park in the lane through the barrier or else in the car park of the Loreto Abbey Dalkey Convent.

There is a turning area at the end of the lane which we should endeavour to keep clear.

Just in case anyone needs to leave their car beyond the last session, please can you park in the convent car park as the barrier needs to be closed behind us.
